Information for Smokers

Challenger TAFE has a no smoking policy that applies everywhere on campus. Smokers will need to walk out to the oval or streets surrounding the campus (eg Badham Close).

Meals

Vegetarian food will be available to all delegates. All meals served will be halal. Other special meals will be served separately.

Dinner

No formal conference dinner is planned. However, if you wish to join other delegates for an informal meal, go to Fishing Boat Harbour Wednesday or Thursday night at 6.30 pm or later. Locals suggest parking is easiest to find at the end of Cliff Street.

We will initially meet at Kailis but there is a range of eating choices available close by. Depending on the weather you may choose to eat inside or out. Call 0437972043 if you have difficulty finding other delegates.
